Acacia safari is one of the indigenous Safari Companies in East Africa offering the most thrilling and unforgettable East Africa safari Experience. Our Safari packages guarantee access to scenic spots, handpicked routes to interesting and exciting destinations as well as the quietest and most picturesque locations. Our itineraries take you through Uganda, Kenya, Tanzania and Rwanda and our safaris are specially designed with care and attention to suit your needs, budget and time.

We specialise in: gorilla and chimpanzee safaris, game viewing safaris, mountaineering trekking, water rafting adventures, bird watching, beach vacations, ecotourism and community tourism, hotels reservations, camping hire and safaris, car hire services.
