Our ACHAT Hotels More than 30 ACHAT hotels throughout Germany and one even in Budapest (categories 3 to 4 stars superior) welcome business travellers, tourists, craftsmen, families, excursionists, travel groups and conference guests. The best employees far and wide are on board. Really hospitable teams help create a pleasant atmosphere. And with the little bit more for your guests create typical ACHAT moments around accommodations, breakfast, restaurant, bar, wellness, gym and meetings/Event. We are continuing ACHAT's success story, primarily with acquisitions and conversions of existing hotels as well as with new buildings and conversions.. Based on long-term rental and lease agreements, we invite you to participate. Our LOGINN Hotels & apartments LOGINN Hotels by ACHAT are premium budget hotels for tech-savvy, "price-trendy" guests - from city travellers to managers. You know what you really want: central, affordable, trendy and well-connected. With a restaurant and bar, with workspace and meeting rooms, with infotainment and a game zone, with a lounge and chill-out area. The further growth of the LOGINN Hotels by ACHAT preferably generates new buildings and conversions. For this purpose, we build on 15 to 25 year long term partnerships based on fixed leases or hybrid contracts with a fixed lease component. Based on above-average returns, we invite you to participate. Powered by - Creditworthy operator - 30 years of experience - Brand new brand relaunch - Large product portfolio - Long-term leases (15-25 years) - Fixed or turnover lease - Corporate guarantee - Professional team, reliability & Speed and short decision-making channels - Innovation and flexibility Focused on - New LOGINN Hotel by ACHAT Berlin New buildings and conversions - For ACHAT Hotels: Takeover of existing hotels or conversions - Hotels from between 80 and 200 rooms - Ca. 36-42 m² GFA per room unit - Situated in upper and middle centers - Future commercial locations - Good visibility and infrastructure connections - Proximity to trade fairs and airports - Proximity to tourist hot spots - Core markets: Germany, Austria, Switzerland
