Ace Tours & Travel Pte Ltd was established in 2003. Our Managing Director, Mr Edward Tay has more than 30 years experiences in the travel industry. In recent years, we have amassed a wealth of expertise on product development, annually received more than an average of 100,000 visitors of all nationalities. Over years of endeavour and progress, we built close long-term relationships with more than 100 leading businesses and travel agencies in Greater China, Asean countries, India, Middle East, Europe and etc. By adapting and growing to suit the needs of the community, and to service the different needs and budget of each individual. We have our own team of tour guides and drivers and establish great recognition from all our vendors and suppliers over the years. We currently owned 10 semi high deck luxurious coaches with seats ranging from 45 - 49 seaters. Ace Tours goals to delivers professional services using years of experiences to generate more surprises and promotions to domestic and international customers and the industry. We also have our B2B Online platform with attractions, sic landtours and tours packages, transportation, ferry ticket etc. We will continue to make more contributions to the bustling tourism industry in Singapore while achieving a name as a brand who infuses both services and brand name.
